CAMP INTENSIVE

Students Grades 8-10
JUNE 4-9

mississippi school of the arts

The Mississippi School of the Arts (MSA) will host a summer arts camp for students entering grades 8-10 that will offer one week of intensive arts training in creative writing, dance, filmmaking, theatre, visual art, and vocal music with classes taught by our extraordinary faculty. Students will have the opportunity to study one art form focus and two art forms for enrichment for the week, culminating with a showcase of the art focus for families.

Students can get the experience of living in a residential environment or participate as a commuter for the week. Our dynamic environment is unlike any other. We offer students the opportunity to create and innovate.

MSA is located on the historic Whitworth College Campus in Brookhaven about sixty miles south of Jackson. The historic buildings and new construction provide an exceptional place to imagine, create and realize. Don't you want to be a part of it?
